iPads on Grande

For Adults - recommend only 2 units
For Children - possible to have 3 units

End units can be set 6-8" from ends of Wedge. Can be installed facing front or angled up to 45 degree offset

- Wedge mounts directly to the wall
- USB cable passes through stalk into the Wedge cavity
- Recommend installing power outlet behind the Wedge
- * If that represents a **code violation**
 - install USB power outlet below the Wedge
 - install USB power outlet on other side of wall

Standard Wall Mounted iPad Stand

If used in a children's environment, there is the possibility that it will be pulled down from the wall unless the wall is reinforced and there is supervision to ensure the stand itself is not used as a play item.
